EQ

## Compliments of the season!

More often than not, the year-end is a time to draw loved ones close, and celebrate relationships that matter. As a record number of guests are expected to pass through our welcoming doors, we have gone all out to infuse EQ with all the elements of Christmas and the celebration of a year of endeavour and accomplishment.

The multiculturalism of Malaysia means that one major holiday will be closely followed by another celebration, and thus, this year-end and the beginning of the New Year will see a stream of inspired F&B events, Christmas festivities, as well as the welcoming of the Chinese Lunar Year of the Snake.

My team and I are looking forward to welcoming you to EQ for either a year-end break, a dazzling Christmas meal, glamorous year-end countdown, or an auspicious Chinese New Year reunion dinner or get-together.

Here's wishing you the best of good things!

**GERARD WALKER**  
General Manager

The children of Shelter Home will be the grateful recipients of your generosity. Thank you for helping make their Christmas special!
