Legendary Celebrations

The dragon is the only mythical creature to feature in the Chinese zodiac. Being the symbol of power and authority, the dragon is always associated with largesse and good fortune. As we usher in the Year of the Wood Dragon, I wish you luck and success in your endeavours, and hope you will make EQ a part of your celebrations.

To this end, the legendary Golden Phoenix will make its annual appearance, with the pop-up restaurant serving a spread of specially curated set menus which bring together both tradition and exciting new flavours. You can also share New Year joy with our festive gifts, beautiful hampers, and delectable festive edibles.

We are looking forward to celebrating with you!
