Citarasa Nipah

2 - 30 MARCH 2025

Ramadan Kareem

The demands of our lives can sometimes push relationship building into a corner. This is why I am happy to live in multicultural Malaysia where the many celebrations give us time to come together and celebrate each other.

Ramadan is a time our Muslim friends aspire to build better relationships. One way of doing that is to come together at the breaking of fast to re-establish or strengthen ties. The tradition of catching up over food is one which I love about the country, and which I fully subscribe to, especially if it happens at EQ.

This Ramadan we have two great ideas for Iftar, namely Citarasa Nipah and EQ Bazaar, because we know people have differing preferences when it comes to this meal. Rest assured that whichever you choose, the food will be great.

We also pride ourselves on our banqueting and outside catering abilities, which means we are capable of bringing EQ quality to private functions, be it in our beautiful function rooms, or at a venue of a client's choosing. If a private function is what is required, my Catering team will be more than happy to be of assistance.

Also, because gift-giving is something ingrained in my adopted nation's culture, EQ has also prepared a wonderful range of Hari Raya hampers and gifts for both friends and business associates.

As you enjoy everything we have planned for this season, let me take the opportunity to wish all our guests a warm, peace-filled Ramadan, and a joyous Hari Raya to follow.

Citarasa Nipah

Nipah, EQ's celebrated all-day dining restaurant, has decades-long tradition of serving up authentic Malaysian cuisine. This Ramadan Nipah will feature an all-star repertoire of recipes from around Malaysia at Citarasa Nipah. Curated by Chef Rizuwan who has made it his mission to keep traditional recipes alive, Citarasa Nipah is a love letter to his culinary heritage.

Each buffet will offer a selection of fresh Malay herbs (*ulam*) and crudites served with a mouthwatering selection of sambals and dips, crackers and fried dried fish in keeping with the simplicity of breaking fast in the past. Also on offer are special EQ versions of whole roasted lamb (*kambing bakar*), grilled seafood, *nasi daging utara* and a list of other delicious foods including fresh seafood on ice, smoked meats (*salai*), and EQ's signature sizzling satay.
