# Citarasa Nipah

19 FEBRUARY - 20 MARCH 2026

# Ramadan Kareem

**JUSTIN LEE**  
General Manager

Ramadan in Malaysia and around the world is a season marked by togetherness. It is a time when families, friends and colleagues gather to reconnect, share stories and strengthen bonds over the breaking of fast.

At EQ, these moments are deeply valued. Hospitality during Ramadan goes beyond the table. It is about creating an environment where people feel welcomed, comfortable and unhurried, where conversations flow easily and time is shared with intention.

Whether it is a quiet evening spent with loved ones or a larger gathering among colleagues and friends, the experience of iftar is shaped by warmth, familiarity and care. Our role is to provide a setting that allows these moments to unfold naturally, supported by thoughtful service and food prepared with respect for tradition.

This Ramadan, EQ presents two distinct dining experiences, each offering a different way to mark the season. Citarasa Nipah honours the depth of Malaysian cuisine through time-honoured recipes and regional flavours, while Bazaar Ramadan at The Garden reflects the lively rhythm of Ramadan evenings in a refreshed setting.

Beyond the hotel, EQ Beyond extends the same considered cuisine and service to private homes and chosen venues, allowing celebrations to continue wherever guests wish to gather. Alongside our dining offerings, a selection of Raya gifts and hampers has also been prepared for sharing with family, friends and business associates.

On behalf of everyone at EQ, I wish you a meaningful Ramadan and a joyous Hari Raya to follow.

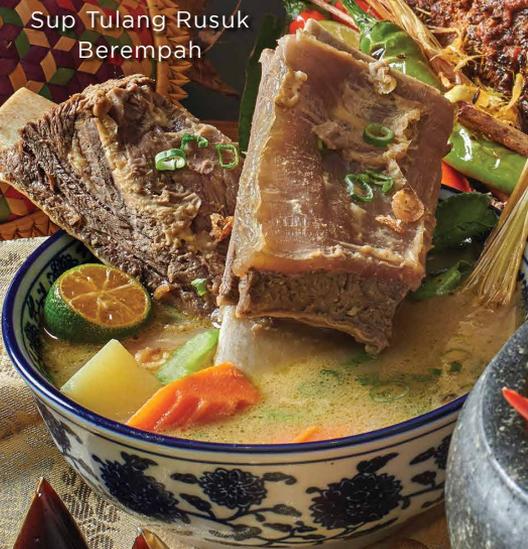

# Citarasa Nipah

Nipah, EQ's all-day dining restaurant, continues its tradition of showcasing Malaysian flavours this Ramadan with Citarasa Nipah. Led by Chef Rizuwan, whose focus is on preserving time-honoured recipes, the buffet brings together dishes drawn from regional kitchens across the country.

Each evening begins with the familiar simplicity of breaking fast, featuring Ulam-ulaman, Kerabu, sambals, pickled vegetables, crackers and dried fish. The spread then unfolds into Ramadan favourites such as Daging Bakar Tomahawk, Kambing Golek, Briyani Gam Johor and selections from the Salai station, alongside a vibrant Shell Out counter, fresh seafood on ice and our signature satay prepared to order at live stations.
