SAKE

Our collection of Japanese sake is thoughtfully sourced from artisanal breweries across Japan, each chosen for its purity of expression, distinctive varietal character, and unwavering commitment to authenticity.

	Glass 120ml	Bottle
Izumibashi Junmai Ginjo Megumi Blue Label, Kanagawa 720ml Made from the most superior rice for sake brewing, this light and dry sake is overlaid with some fruity impressions, with a touch of bitterness. An impressively calm and settled sake.	78	388
Taketsuru Junmai Ginjo, Hiroshima 720ml Taking a year to ferment, with a minimal filtration process, this sake has a complex, delicate flavour accompanied by a rich taste of umami.		438
Abe Kameji Junmai Daiginjo, Yamagata 500ml Beautifully light with a mellow aroma. Soft and smooth upon first sip, with a clean fullness at the back of the palate bolstered with acidity that creeps out in an elegant, peaceful pace.		438
Hiokizakura Junmai Daiginjo Shizuku, Tottori 720ml Best from the brewery," highly recommended by renowned sake critic Hiroshi Uehara. This sake is produced via the older brewing method of using canvas bags which lends to a slower fermentation as fresh sake slowly drips from the bags. Only a few hundred bottles of this elegant and delicate sake are produced in a year.	138	788
